EIGHTH YEAR

SIDNEY, VANCOUVER ISLAND, B. C. THURSDAY, JULY 18, 1920

PRICE FIVE CENTS

NEW ROAD IS BEING BUILT

Will Be Great Convenience for Residents of Galliano Island; Other Items of Interest.

"The seamstress who'd economize her tin, did she know how. Would have one-ninth the work to do if she would 'Do it now.'"

There is a fine proverb for an islander! I am afraid most of us have so much to do that we feel inclined to invert the saying "Never put off till tomorrow what you can do today," and make it "Never do today what you can put off till tomorrow." This is certainly a busy time of the year, and when the rain stops—if ever—there will be still more to do on a farm. Hay time will soon be here, and with such promising crops you won't be able to see the farmers for some when once hay-making starts.

A new road is just being completed leading from the main road opposite Capt. Gilmour's house and running up to the Sinclair house in the northeast corner of the valley. This will open up that end of Mr. Enke's farm, and is a great improvement to the place. The contract was taken by Mr. D. A. New. The road is nine feet wide and about half a mile long.

Mr. J. Olson has been in Ganges hospital for a week, having been unwell for some little time. It is hoped he will soon be back on Galliano and in good health again.

A farewell party was given for Dr. and Mrs. V. C. Best at Mr. and Mrs. A. Coyzer's home on Friday evening. The guests included Mrs. Bellhouse, Miss K. Bellhouse, Mr. and Mrs. Scoones, Mr. and Mrs. Twiss, Mr. and Mrs. G. Page, and Mr. J. Burrill. Dancing was enjoyed during the evening.

On Sunday afternoon Mr. and Mrs. Egan, of Montague Harbor took a party over to see the new developments on Parker Island. Most of the inhabitants of the island were in town, but the visitors were very kindly received by the three who remained at home. They were much impressed with the appearance of the vegetable garden, and with the many evidences of hard work which must have been put into the place during the past three months. The new wharf and other erections are well-built and everything looks like business.

HAD VERY SATISFACTORY YEAR

Merchants Bank Balance Sheet Exhibits Institution in Strong Position.

The Merchants Bank of Canada enjoyed a very remarkable year of progress during the twelve months ended April 30. The paid-up capital of the Bank was enlarged during that period by \$1,400,000, representing an increase of 20 per cent. Not only did the new capital immediately justify itself, so far as earnings were concerned, but it was accompanied by a growth in the total volume of business which was almost sufficient to keep the ratio of capital to assets unchanged for the year. The assets of the Bank are 18.40 per cent greater than they were at the beginning of the year, having increased from \$167,000,000 to well over \$197,000,000. Of this growth \$24,300,000 is accounted for by the remarkable expansion in deposits, which largely represent the savings of the clients of the bank, and which are now over \$163,000,000.

The Bank was able to maintain a strong liquid position throughout the year. Quick assets at the end of April were over 72½ million dollars, and were at a ratio of 40.81 per cent to the total public liabilities, amounting to a little under 150 million dollars. The Bank's share in the task of financing the commercial and industrial business of the Dominion was well attended to, the sum of \$113,198,913 being devoted to current loans and discounts in Canada.

The shareholders benefited largely by the prosperity of the institution. The annual distribution of profits was increased by the addition of 1 per cent bonus to the 12 per cent

dividend regularly in force, while the shareholders also enjoyed the privilege of acquiring a large issue of new stock at much less than its market value. The distribution of profits was, however, moderate in comparison with the earnings, which were at the rate of 20.48 per cent on capital stock, or 10.64 per cent on the actual investment of the shareholders, when the Rest Fund is taken into consideration. Of the remaining profits \$100,000 was written off the premises account, and \$700,000 added to the Rest Fund, but a portion of the latter amount was derived from the profits of previous years, as the profits carried forward now stand at \$260,774.

Both the shareholders and the general public are indebted to the management of this old and conservative, yet enterprising institution, for the constantly increasing services which it is rendering to Canadian business. Its progress during the past year must be highly gratifying not only to the shareholders but to Sir H. Montagu Allan, President, Mr. D. C. Macarow, General Manager, and to the members of the Board of Directors.

CHANGE OF TIME.

Commencing Saturday, June 19, the Flying Line Motor Stage will leave Victoria at 11.15 p.m. This change has been made to enable those attending a theatre to have ample time to reach the stage after the performance is over.

SALE OF WORK HELD BY GUILD

Successful Sale by Ladies of St. Mary's and St. Stephen's Churches.

The sale of work held in the Saanichton Agricultural Hall, Saturday afternoon by the Ladies' Guild of St. Mary's and St. Stephen's Churches was a very successful affair. The various stalls opened for business at 3 o'clock and the affair concluded at 6 p.m. The following ladies had charge of the different branches of the sale: Fancy work, Mrs. MacKenzie and Mrs. Bissett; home cookery, Mrs. Guy and Mrs. Holloway; afternoon tea, Mrs. Hedley; ice cream, Miss Walker and Miss Jeune. Many were seen carrying away beautiful bunches of roses, purchased from a stall in charge of little Misses Spencer and Cunningham. The funds raised will be used towards improvements to the rectory at St. Stephen's.

The military 500 held under the auspices of the West Saanich Women's Institute was, as usual, a very enjoyable affair. Those winning prizes were as follows: Miss M. Freeland, Miss W. Arsell, L. Thompson and Victor Rance. Second prize, Mrs. Freeland, Mrs. Murray, T. W. Walker and C. Hammond. Consolation, Mrs. L. Thompson, Mrs. Harpus, A. Serup and F. Freeland. Another of these popular drives will be held on July 23.

Brentwood will soon be able to boast of a park. The B. C. E. Ry. Co. have a gang of men busily clearing away the beach. This will supply a long felt need and people coming from the city will have somewhere to sit and eat their unches, and at the same time enjoy the beautiful scenery of the bay. Just at this time of the year Brentwood looks very beautiful with so much green foliage intermingled with the different bushes of wild flowers, such as aspidistras, dogwood and wild orange blossoms.

Many of the campers are out for the season. Mr. Geo. Burns and family are occupying W. O. Wallace's camp at Brentwood this year, also Mr. Burt Aaronson, of Victoria, who with his family are occupying one of Mr. George Sluggett's houses.

The kiddies of the West Saanich school are having rather a hard time this spring, there seems to be so much sickness among them, whooping cough being at present the prevailing disease, which is a most horrible thing. Any mother having children sick with whooping cough would do well to try a bottle of Roche's embrocation. This has been found to relieve the cough and especially if taken in time, almost cures it, but flannel must be worn back and front while using the embrocation.

"POWDER-PUFFS" WIN GAME

Bleached Complexion of Patricia Bay Boys Three Times Last Friday.

Wild excitement reigned on the Island last Friday when the "Powder-Puffs" played their first game on their home grounds, and incidentally proved victorious over the visitors from Patricia Bay, with only a couple of changes in the line-up and a slot-shot practice "Russell's Rough-neck" showed more speed, and although the ground was not all it should have been, quite a lot of fast play was developed.

Right from the start, when Happy Henderson blew his whistle to the end of the game, the local boys had the better of the game. Bobby Dunn, the "Puffs" goal-keeper, didn't handle the ball during the entire hour of play, which was due chiefly to the good work of the backs, Jimmy Lynch and Bob Todd.

In the first half the only goal scored was from a hot one by Thompson, who took a beautiful pass from Emmens and beat the goalie all the way. During this half the ball was only in the James Island territory twice and the home goal was never once in danger. The second half was featured by a regular bombardment of shots by the Island forwards, and only the good work of the Pat's goal-keeper kept the score as low as it was. Russell, the "Puffs" captain, contributed both goals in the second frame, both of which came from a pass by Bill Thompson, who played a steady game throughout.

The line-up of the teams was as follows:

James Island—Goal, Bob Dunn; full-backs, Todd and Lynch; half-backs, Dixon, Robb and Floyd; forwards Nicklin, Rosscaup, Russell, Thompson and Emmens.

Patricia Bay—Goal, Sutherland; full-backs, Tester and Bosher; half-backs, Bull (capt.), Lannon and Reading; forwards, Nunn, Jeffries, McCullough, Peters and Montgomery.

A practice game is to be played soon between the team and a team picked from the "Bull Gang." This should be worth seeing as the "Bulls" have made up their minds that they can take the "Puffs" into camp, and if weight has anything to do with it they should. However, we'll see what speed will do.

The new sweaters have arrived and the "Puffs" will now be decorated in blue and gold. According to some good authority, the girls wanted "red," but they'll have to get up a new slogan. "Come on, red," will now be out of date.

Jottings.

Sorry, but I've got to start right off with another apology. In announcing the prize-winners of the last "Bull Gang" picnic, I said that the speed demon Billy Lickiss was presented with a medal for defeating Billy Thompson. Now it appears that the second place was taken by Happy Henderson. Happy claims he would have won but for the fact that he dropped his chewing tobacco on the way, and as he had missed things before he decided he had better throw away the chances of first place and keep his chew.

One of the officials, we believe, was asked by a new employee if there were any flats to rent on the Island. After some careful deliberation the official replied that the only available "flat" was at present used as a football field, and that the ducks had a lease on it for the winter.

My, but there are some smart guys around here. The other evening the cook must have put some emery powder in the soup, because just after supper I heard one fellow ask his elum, "Why did the Copenhagen Snuff" and what do you think the answer was? "Because the cigar-ette!" Don't laugh if it hurts you.

Personals.

Mrs. W. G. Sinclair, who has been in St. Joseph's Hospital, Victoria, for a couple of weeks undergoing an operation, is progressing very favorably and we expect to see her home again very shortly.

Mrs. D. R. MacKay is a visitor on

the Island from Vancouver, and is staying with her mother, Mrs. S. W. Bucknam. Mr. R. H. Lyons, who for the last six weeks has been here in the capacity of Superintendent, left on Monday for his home in Montreal.

Now that everybody is talking about and paying them we should like to publish this little bit of information.

The word *Tallus* is derived from the barbarous Latin word "Tallia," or "Tallium," which in the ancient signification (says Fortescue) meant a piece of wood, squared and cut in two parts, on each of which they used to mark what was due and owing between debtor and creditor; from thence it came to signify a tribute paid by the vassal to the lord, on any important occasion, the particular payments whereof were marked on these pieces of wood, one part being held by the tenant, the other by the lord. In French it is "Taille," which originally signified no more than a section or cutting, from the verb "tailler," to cut; but afterwards it came to signify metaphorically a tax, or subsidy; all which words came from the pure Latin word "Talea," a cut stick, or tally. From whence is derived our new Latin word "Tallagium," or rather "Tallagium," which signifies in our law any sort of tax whatsoever.

STERLING.

CUTTING 25,000 FEET DAILY

This is the Output of Cushman Cove Mill; Expect to Cut 40,000 Soon.

The Cushman Cove mill is now running in good shape and is cutting 25,000 ft. daily and expectations are that the cut will soon be increased to 40,000 daily. They have orders in hand that will keep the mill going for six months steady. The company is lucky in having its own standing timber and its own logging crew and outfit. The company employs altogether in the mill and logging camp between 45 and 50 men. Mr. Gatchouse, the superintendent, has had thirty years' experience on the coast in the lumber business, and naturally knows his business and in addition is a good handler of men. The mill was better known in the old days as the Bulman Lumber Co.'s mill, but the new company is known as the Cushman Cove Lumber Co., and has acquired the old company's site and holdings. They have completely renovated the old mill and by the installation of new and up-to-date machinery have made the plant into a very valuable asset. They have their own launch, which is run daily between Sidney and Cushman Cove, carrying passengers, mails and freight. They own sufficient timber to keep the mill running for five years. They ship all their output by scow and barge, the C. N. R. calling weekly or often as the case may be. Dr. A. B. Holden is the president of the company, Mr. E. L. Tall, of Robson, Heisterman & Tall, is the secretary-treasurer and Mr. J. Drummond of Victoria, is the managing director.

Baseball Games in Victoria

At the Stadium, rear of Empress Hotel.

SEATTLE vs. VICTORIA
Friday at 6.15 p.m. Saturday at 3.30 p.m.

GENOA BAY AGAIN DEFEATED

Sidney Baseball Artists Once More Demonstrate Their Superiority to One-Sided Game.

The Genoa Bay baseball club invited our local artists to engage in another duel of hits, runs and errors, the battlefield to be in Genoa. The local club accepted the challenge and hired away last Saturday afternoon to fill the engagement under the guidance of Big Chief Hambley, who led his men to victory over the enemy, though defeated in this manner by our young athletes, did play a spirit of good sportsmanship and treated the Sidney boys handsomely.

Freddie Underwood pitched the full game for Sidney, and his work in the box and a home run by "Boyd" Clegg were the features of the game. The fielding of both teams was a little off, but Genoa Bay made the most costly errors. The line-up in batting order was as follows:

Sidney—E. Norton, c.; Curley, 1b; Crossley, r.f.; Clegg, 1.f.; Sylvester, 3.f.; Underwood, pitcher; L. Peters, 3b; Few, c.; Simpson, 2b. Genoa Bay—Smith, ss.; Robertson, p.; Whan 1.f.; Ritchie, 2b; Pillow, 3b; Sherman, c.; Johnson, c.f.; L. Joe, r.f.; C. King, 1b.

WANTED—Correspondents at Deep Cove and Ladysmith Bay. A chance to earn some money during your spare time. Write us. Review.

FINE ENTERTAINMENT GIVEN

Saturna Island Residents Enjoy Concert Given on Saturday, June 5.

It has been a long time since the people of Saturna have seen such a good local entertainment as the one given by Ganges Harbor at the Hope Bay hall on Saturday, June 5. Although it rained heavily during the day it cleared up in the early evening and was quite calm and clear for those who had to cross the water. By 8 o'clock, when the show was supposed to start, some consternation was felt, as the performers had not arrived, but they appeared soon afterwards.

Several songs were sung by Messrs. Stacey, Cole and Lowther, with Miss Laid as accompanist. Mr. H. Brown of the Canadian Air Force played the violin, accompanied by Miss Hearst, Miss Aitken and Miss Hearst did a very pretty song and dance act together.

One of the great treats of the evening was the recitation by Miss Ormay, a trained elocutionist, and a sister of Dr. Sutherland. She recited "The Pied Piper of Hamelin" so realistically that one could almost see the people, the rats, the gay little children and the weird fascination of the red and yellow Pied Piper with his magic pipe—and most pitiful of all, the terrible loneliness of the little lame boy who was left behind because he could not dance. Miss Ormay also recited several other pieces, among which were "The Broken Doll" and "Lorraine, Lorraine, Lorraine." All were greatly enjoyed and tremendously applauded. The last number on the programme was a short but very amusing sketch by Mrs. Smith and Major Turner. They are supposed to be at a ball, given for the amusement of the lunatics at a sanatorium. They met unexpectedly, in a room by themselves and immediately came to the conclusion that the other is mad—consequently they humor each other by pretending to really be mad. After many humorous muddles, they find out they are both quite sane, and the curtain closed on roars of laughter and applause. The "balloon drawn by swans," and the coachman who was "a bronze cockatoo," with a cold in his head, also the tomb in Westminster Abbey, which was a useful thing to keep about the house, and on which, it ruffled, the Beadle of the Bank of England was willing to take fifty chances, are still standing jokes among the Islanders who saw the play.

"God Save the King" was sung at quarter to 12, and after the very last of the ice cream had been sold, the people departed amid many exclamations of how good the show had been.

Mr. R. S. Corbett was speaker for the evening, and Mrs. Spalding was a great help with all arrangements. Mrs. Auchterlonie and Mrs. Fry officiated at the refreshment table, and Mrs. Walker and Miss Payne sold the ice cream. It is to be hoped that the homeward journey did not damp the enthusiasm of the audience, and that next time they will all come again. One hundred and twenty-five dollars were raised. The show was in aid of the Lady Minto Hospital at Ganges.

The people of the Gulf Islands, donned sackcloth and ashes yesterday when they heard the news that Miss M. Robertson, who has been our central at Duncan for over eight years, is leaving her present post to take up a position in the Cowichan Merchant's store. Miss Robertson is known from one end of the Island to the other as an unfailing source of information. During the war the Islanders who only received mail once or twice a week, were able to procure daily war news through her. In many hands of other little ways she has been of the greatest service to the people, and now, alas! no longer will we be able to reply to an unanswerable question with "Ask Miss Robertson."

Mr. M. B. Jackson, M.P.P. for the Gulf Islands, and Mr. Maclean, are expected here to-morrow morning. Mr. Jackson will speak at the wharf, as tomorrow being mail day, the wharf and post office are the public meeting places of the Island inhabitants. We hope he will notice the deplorable condition of our wharf, and will do something towards remedying it.

Mrs. B. Irving, of South Pender, is leaving shortly to take up her real

dence in the vicinity Langford, V.I. Mr. L. Higgs, of South Pender, has returned home after spending the winter in Texas.

The tug Nora of the Saturna saw-mill, has returned after an uneventful trip to Vancouver, and is at present engaged in towing logs from Deep Bay to the mill.

Sheep shearing time is here and most of the Islanders are careering wildly over the hills in pursuit of their wandering sheep. The job of driving sheep on an island is not enviable, especially if they are wild ones, and one has no dog. The roughness of the country, and the thickness of the bush gives the sheep every chance and the driver none, so it is no wonder that his language is, to say the least, quite unprintable.

TOURING THE ISLAND

Mrs. J. M. Kerr and her daughter, Joyce, and Miss Browning, of Seattle, Mr. and Mrs. Auchincloss, with their two daughters, Dorothy and Barbara, of Black Diamond, Wash., left last Monday morning for a trip up the Island for about ten days. They were the guests of Mrs. P. J. Perry, Fifth street, while here. Mrs. Kerr and children, and Miss Browning will return here after their up-Island trip and will be the guests of Mrs. Perry for a short time.

PREPARING FOR PLEBISCITE

Officers Elected at Meeting Held Last Monday Evening; Another Meeting on June 21.

A meeting of the advocates of prohibition was held at the home of Mr. A. Few, Third street, last Monday evening, when officers were elected and the prohibition question discussed. The following officers were elected: President, Mr. A. McDonald; first vice-president, Mr. A. Few; second vice-president, Mr. D. Harvey; secretary, Rev. T. Griffiths; treasurer, Mr. J. T. Taylor.

Another meeting will be held on Monday evening, June 21, at the home of Mr. Few, at 8 o'clock. All those interested are cordially invited to be present.

DOMINION DAY CELEBRATION

Complete Programme of Events for Sidney's Big Sports Day.

The sports and business committee have got the day's programme well under way, the list of sporting events are practically fixed. The following events are now decided upon:

100-yard dash, open.
100-yard 3-legged race.
75-yard race, single ladies.
75-yard race, married ladies.
220-yard race, open.
75-yard sack race.
440-yard race, open.
Obstacle race, relay race, three men to a team.
50-yard fat men's race, 200 lbs. or over.
50-yard fat ladies' race.
Putting the shot.
Running broad jump.
Running high jump.
Tug-of-war.
Bandmen's race, playing instruments.
Highland fling.
100-yard boys' race, 16 and under.
Running broad jump, boys, 16 and under.

The general admission will be 50c, children under 10 free. Hot and cold water will be available on the grounds.

Motor service between the grounds and Sidney will be 20c per head each way. The fare from Victoria by auto stage is 50c each way.

The programme containing a list of events and prizes for each event will be out in a few days.

The committee have also arranged that a lacrosse intermediate league game will be played during the afternoon between Sidney and a Victoria team, a football match with James Island and Oak Bay is another feature and a baseball game between teams which will be arranged later will also be on the programme. Victoria Labor Band will be in attendance from 10.30 a.m. and during the afternoon.

At 9 p.m. a dance will be held in the Regatta hall.

Electors Warned!

In order to vote on the forthcoming Prohibition Plebiscite and You Must Register in Provincial or Dominion General Elections. All previous lists of Voters have been cancelled. The fact that your name was on the list last year does not count. Neither can you vote as a property owner without registering.

Make Your Declaration Now

before the Registrar or an Election Commissioner, Postmaster, Justice of the Peace, Magistrate, Constable or before Officials at any Government Office.

Registration Closes on July Fifteenth Next

Wild Flowers of District

- 176 Castilleja miniata, Dougl. (Paint Brush)—In thickets by the sea, above the sawmill, Sidney, May 28, Jessie C.
- 177 Orthocarpus pusillus, Benth. (Lesser Paint Brush)—Grassy places in the Park, Sidney, May 28, Jessie C.
- 178 Veronica Americana, Schwein. (Brooklime)—In wet ditches by the V. & S. Sidney, May 28, Jessie C.
- 179 Tragopogon porrifolius, Linn. (Oyster Plant)—On the V. & S., near the water tank, Sidney, May 28, Jessie C.
- 180 Hypochaeris radicata, Linn. (Cat's Ear)—A very troublesome weed in lawns and pastures, Mr. H. Prueve, June 1, Jessie C., May 29.
- 181 Lomatium nudicaule, Pursh. (Indian Consumption Plant)—By the V. & S. and the sea, north side of old shingle mill, Sidney, May 29, Jessie C., Mrs. C. Wood, June 1.
- 182 Spiraea Menziesii, Hook. (Menzies Spiraea)—Damp thickets around Sidney, common, Jessie C., June 3.
- 183 Delphinium menziesii, DC. (Lackspur)—Woods, All Bay; rare around Sidney, Jessie C., June 3.
- 184 Sisyrinchium idahoense, Bicknell (Little Blue-eyed Grass)—About roadsides, all Bay, Sidney, Jessie C., June 3.
- 185 Trifolium oliganthum, Steud. (Few-Flowered Clover)—Fagaria Farm, Keating, Mrs. C. Woods, June 1.
- 186 Hasackia parviflora, Benth. (Bird-foot Clover)—Fagaria Farm, Keating, Mrs. C. Woods, June 1.
- 187 Ranunculus reptans, Meyer. (Creeping Crowfoot)—Fagaria Farm, Keating, by a brook, Mrs. C. Woods, June 1.
- 188 Veronica scutellata, Linn. (March Speedwell)—In ditches at All Bay, and by the shingle mill, Jessie C., June 5.
- 189 Veronica feregrina, Linn. (Neckweed)—In ditches or damp soil, All Bay, Jessie C., June 5.
- 190 Sonchus asper, Linn. (Spring Saw-thistle)—A common weed, introduced from Europe, Mr. H. Prueve, June 8.
- 191 Gaultheria Shallon, Pursh. (Salal)—Forming thickets in woods, H. Prueve, June 8.
- 192 Achillea millefolium, Linn. (Yarrow or Milfoil)—Abundant in open ground at the Farm, H. Prueve, June 8.
- 193 Silene latifolia, Mill. (Blandier Campion)—Introduced from Europe; Experimental Farm, H. Prueve, June 8.
- 194 Habenaria unalaschensis, Spreng. (Northern Orchis)—In open wood, Roberts' Point, Victor Goddard, June 8.
- 195 Allium Geyeri, Watson. (Seaside Onion)—Exposed, rocky points, the Park, Sidney, May 24, "Rambler."
- 196 Statice Armeria, Linn. (Thrift)—Exposed rocky points by the sea, Sidney, May 24, "Rambler."
- 197 Brassica campestris, Linn. (Turnip)—A weed in fields and by roadsides, Sidney, May 24, "Rambler."
- 198 Ranunculus Greenet and other forms (Coarse-leaved Ranunculus)—In woods by the station and Park, Sidney, May 24, "Rambler."
- 199 Radicula nasturtium-quatica B. & R. (Water Cress)—By the water tank of the V. & S. Sidney, Jessie C., May 26.
- 200 Trifolium fimbriatum, Lindl. (Perennial Clover)—By the sea, at shingle mill, Sidney, Jessie C., June 10.
- 201 Heracleum lanatum, Mich. (Cow Parsnip)—In vacant lot next the bank, Sidney, June 10, Jessie C.

Why Not Percolate Your Coffee?

With an ELECTRIC PERCOLATOR? It will make that cup of coffee a real joy. Just put in the cold water and the coffee, insert switch plug. In seven or eight minutes the coffee is ready, steaming hot, amber clear; always the same.

"GUEST DAY" WAS A SUCCESS

Mrs. Wm. Griffith Gave a Very Interesting Paper; Several Members Contributed to Programme

The "Guest Day" of the West Saanich Women's Institute, which was held at their rooms, Sluggett's Station on June 8, was a great success. The Institute always has a rose show on this day, but on account of the late season roses were not very plentiful. Business was put through in short order, after which visitors and members had the pleasure of listening to Mrs. Mayell, who very ably sang several beautiful songs and needless to say was encored. A piano duet was also given by Mesdames Freeland and Murray. A paper on "The Women's Forward Movement" by Mrs. Wm. Griffith proved most interesting. The speaker made the statement that the 20th century would be the women's century and claimed that the women's movement was part of the great plan of evolution. She briefly reviewed the past and the subordinate position held by women with the present. Women have the franchise today and women hold responsible positions even in Soviet Russia, Turkey, Palestine, and Chinese women are graduating from American universities, said the speaker. Materialism must give way to a more spiritual idea. Women will bring this new note into public life, said Mrs. Griffith. North and South Saanich were well represented and a large party from the Auxiliary to the Great War Veterans from the city were present. Among the speakers of the afternoon were Mrs. Tanner, president of South Saanich W. I., Rev. Mr. Baston and Mrs. Palmer of the Auxiliary to the G. W. V. association. Dainty refreshments were served at the close of the afternoon.

MEETING OF LADIES' AID.

A meeting of the Ladies' Aid of Wesley Methodist Church was held at the home of Mrs. Anderson last Thursday afternoon. At this meeting it was decided that afternoon tea be served on July 1 in the building adjoining Mr. S. Roberts' office. At the conclusion of the business of the meeting, the hostess, Mrs. Inglemills served afternoon tea. The next meeting of the Aid will be held on Thursday July 8, at 2.30 p.m., at the home of Mrs. J. T. Taylor, Fifth street.

NEED OF FUNDS IS URGENT

An Appeal Being Made For Funds to Assist the Starving Men, Women and Children.

The following by Dr. Frank Crane, is worthy of serious thought: "The Jews' Two Ships." "I have just seen two pictures in the paper, and my heart is pounding. "One is of the steamship Westward Ho being loaded with tons of grain, thousands of cases of condensed milk, and other life-sustaining provisions, purchased with the American Jewish Relief Funds and American Polish Relief Funds, for the starving women and children of Poland. The port of destination is Danzig. Where the cargo will be transported overland to stricken communities. The cost of this cargo exceeds two million dollars. "The other is of the steamship Pensacola starting on its long voyage to the Near East, bringing life and happiness to thousands in Palestine, Syria and Armenia. Ports of destination are Constantinople and Beirut. The provisions were purchased by the Joint Distribution Committee of the American Jewish Relief Funds and the American Committee for Relief in the Near East. The cost of this cargo is one million eight hundred thousand dollars. "Jews mean nothing to me, nor do Gentiles, nor Baptists, nor Patagonians, nor Southerners, Mahometans, nor Irish. "All these Classes, Races, Sects, Labels, Fences and Pigeon Holes are Holdovers of dead contentions. "They are the Vermiform Appendices of Progress, and the Body Politic would undoubtedly be better off for a surgical operation. "Still, Classes linger, and will. We shall go on being proud of our Church, Pedigree and Locality. "And— "If so— "The one, only and wholly admirable way to justify our Class is by Superiority in Helpfulness. "Heaven knows, we have killed and hated enough because of our Differences. Let us now compensate History by a most strenuous rivalry in Charity, for," says Bacon, "in all things else there is danger of excess, but in Charity there can be no excess." "I love every Jew in the world, for those two ships' sake. I would kiss every pretty Jewish girl, salute every rich Jew, and take my hat off before every Synagogue, for those two ships' sake. "Though not born of this ancient race, I am sending along a little contribution to Nathan Straus, who called my attention to these ships (or rather to Arthur Lehman, treasurer, 20 Exchange Place, New York) and ask the reader to do likewise. We can justify ourselves by what George Ade says: "I have lived in several towns, but I cannot remember the name of a place in which Jews were exempted from contributing to Gentile funds."—From the New York Globe. "Representatives of the Jewish Relief Fund Committee visited Sidney this week, and it is understood they have made arrangements for a campaign to be opened here for this worthy cause. It must be remembered that no money is sent to Europe, all provisions, etc., being purchased in Canada and sent to the suffering people.

THE BRITISH BUDGET.

The figures given by the Chancellor of the Exchequer were such as to confound the pessimists: on both sides of the Atlantic who seem to have taken a melancholy satisfaction in picturing Britain staggering under an unbearable load of debt, unable to meet her liabilities and marching slowly and surely to her financial demise. The deficit for the year was almost £150,000,000 less than forecasted, while the total expenditure shows a decrease of about £213,000,000 as compared with the previous year. No more loans, increased taxation and rigid economy are the pledges of the Chancellor who anticipates a surplus of £234,000,000 for the year now current.—From a letter issued monthly by the Foreign Department of the Merchants Bank of Canada.

Report of the Auditors to the Shareholders of The Merchants Bank of Canada

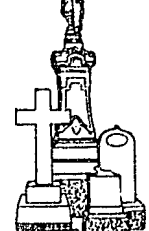

In accordance with the provisions of sub-sections 19 and 20 of Section 14 of the Bank Act, we report to the shareholders as follows:

We have examined the above Balance Sheet with the Books of Account and other records at the Chief Office of the Bank and with the signed returns from the Branches and Agents and have checked the cash and verified the securities of the Bank at the Chief Office and at the various branches in the last of the Bank at 30th April, 1920, and at a different time during the year and found them to agree with such entries. We also attended at some of the Branches during the year and checked the cash and verified the securities held at the date of our attendance and found them to agree with the entries in regard thereto in the books of the Bank.

We have obtained all the information and explanations we have required. In our opinion, the transactions of the Bank which have come under our review have been conducted in accordance with the powers of the Bank, and the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Bank's affairs, according to the best of our information and the explanations given to us, and as shown by the books of the Bank.

ALBERTA MARKETS

(From The Market Examiner, Calgary, Friday, June 11)

CATTLE

Weather conditions have been the factor in maintaining the cattle prices on their spring level for a longer period than usual this year but the break which was anticipated last week came during the present week at the Calgary yards and there is a drop of at least a couple of dollars a hundred on beef. Choice steers are from \$19 to \$14.50; good butchers \$11.50 to \$12.50; choice cows and heifers \$11.50 to \$13.50 and the good butchers \$10 to \$11.50. Bulls are not in demand and the few are worth over \$8. Veal receipts light and choice calves worth around \$14.50. Stockers and feeders have shared in the drop and feeders are from \$9 to \$10.50, and stocker steers \$8 to \$9, and heifers and cows \$7 to \$8; cows and calves also about \$8. Prospects on beef are poor, as packers have a high priced beef on hand which they are going to get rid of before they buy much more.

Edmonton cattle prices suffered the general break of the week and the beef is from \$1.50 to \$2 lower than at last report. The best steers are from \$14 to \$14.50; good butchers \$12 to \$14. Choice cows \$11 to \$12.50; good butchers \$9.50 to \$11; some choice heifers made \$15 during the week, but now the tops are quoted around \$19.50. Bulls are reduced to \$6.50 for the best of them and the choice veal quotation is now down to \$16. Stockers and feeders have shares in the lower prices and the feeders are quoted from \$10.50 down and stocker steers \$8 to \$10. Stocker heifers are about a dollar lower, at from \$7 to \$9.

HOGS

Thursday the Calgary hog broke badly in line with all the other Canadian markets and the price dropped to \$19.50. This morning there were also a few loads on hand and they sold at \$19.

Packers started their effort at cheaper hog buying at Edmonton on Monday and the bid then was reduced to \$19.50, though local butchers were willing to pay more and some sales were made during the week at \$20; however, it is believed that levels of from \$19 to \$19.50 will be reached and the market placed in line with other yards.

SHEEP

No fat sheep are being offered at the Calgary yards and nominal quotations are lambs from \$15 to \$18; ewes \$12.50 to \$13.50; wethers \$13 to \$14; breeding ewes from \$17.50 down.

Thursday there were a few head of nice fat ewes and wethers, shorn, sold at the Calgary yards which made \$15.25. Mutton sheep are also scarce at Edmonton.

HORSES

No action in the horse market and the only sales which could be made would be on extra quality, heavy teams and the demand for them is limited.

GRAIN

Crop conditions over the west have been very favorable during the past week. There have been some winds which were harmful to a degree but their effects have been minimized by rainfalls. Some parts of Alberta could do with more moisture, but there is no damage yet. The markets are continuing very strong on oats and other cash grains which are being offered in Winnipeg.

PRODUCE

Butterfat prices at cream stations have been dropped 3c from last week's quotations, the range now being from 45c to 51c, and an extra advance of 4c at creameries; receipts are heavy. Creamery butter unchanged from 56c to 60c. Dairy butter moving freely and good demand for fancy and No. 1; other grades somewhat neglected; fancy butter worth around 45c. No. 1 from 39c down; straight receipts of good quality from 35c to 37c. Eggs are weaker as predicted by last week's Examiner and the general quotation for the coming few days is \$10.50; market prospects are uncertain. There are some shipments of live poultry and a few cases of dressed stuff; the quality of the old hens and roosters which are coming in are weakening the prices somewhat. Potatoes are selling at \$7.50 up at country points. Hay market is very quiet and dealers are quoting a selling price on track at from \$45 to \$50.

Cream stations in the Edmonton district are quoting butterfat at 51c and though receipts are improving they are behind those of a year ago. Creamery butter wholesaling at from 60c to 61c. Dairy butter fairly light but improving and prices from 35c to 40c. Shippers can now compete with American butter on the B. C. market. Egg quotations in the northern part of the province are holding around \$10.50, but there are complaints regarding the quality. Cheese make is still light though fresh local is coming on the market at 29c to 30c. Poultry movement to the Edmonton market light.

WOOL

Outlook of the market very uncertain and no basis price has been set, consequently most of the western buyers are not quoting for the present.

HIDES

No market has developed for hides and buyers are unable to get any quotations from tanners on hides. Prices remain the same, with rough hides at from 8c to 9c and butcher hides 11c to 12c.

FURS

Market still demoralized and prices are still unsafe to quote as buyers are not anxious to take on pelts at any price.

Letters to the Editor

Mr. Editor:

Some time since I said I was going to "boost" Saanich, but that article in the Colonist satisfied me that abler pens than mine were at work so I gave up taking a wide view of the subject now and will just commend myself to a few particulars.

In 1875 I had such a knowledge of the climate of a district by a study of its flora that I could tell whether it was climatically fit for agriculture by the wild flowers that grew there. In that year Mr. Mackenzie offered me the position of botanist on a party that was going to explore the Peace River country. We were to start from Victoria and I arrived two weeks before our start and as usual "took in" Victoria and southern Saanich, and wrote in my report that there were a large influx of Californian species and that there was an enormous number of plants in flower early in May, which indicated a dry summer and winter rains, and made other remarks which may be left out here.

Many visits to Victoria since then has shown this to be true, and we are now going farther and are prepared to tell our friends in the east and elsewhere that we are not second to California regarding climate.

As I remarked above, many years ago, I was considered fit to give an opinion about climate, and am yet. I can say this without fear, that the Saanich Peninsula has a climate peculiarly its own and unsurpassed on the American continent.

When I came to Sidney eight years ago I began to keep records and dates and found that the oldest inhabitant at times failed in keeping tally of the times and seasons. I found that we had almost a fixed climate with almost a certain amount of heat to the water and other causes. This letter is getting out of bounds and I must condense.

Our rains commence about the first week in November. Growth immediately commences and hardly ever stops. Our first snowdrops open on January 3. By the end of the month crocus appear and by the middle of February crocuses are out in thousands, and the procession never ceases, though it has many halts. This is the general sequence, but we have variations. For instance, this winter has been the coldest, most unpleasant I have seen since I came here. Our people speak of having roses in flower at Christmas, but four years since Mr. Fairchild, a noted florist from Vancouver, B. C., was making me a visit, and I showed him one in flower which only ceased

to open old buds on the first of March and had new flowers on the seventeenth. He was astounded, but I showed him the slight variation between night and day. He saw that as long as the Japanese current prevailed Saanich had a climate unsurpassed by any other district in the world. The above are crude facts but they can be enlarged upon to any extent.

JOHN MACOUN.

Could Not Sleep

Mr. Earnest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was brought about by overwork. I had frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion, was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine cured me of all my symptoms. I am now feeling one hundred per cent. better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

Dr. Chase's Nerve Food, 50 cents a box, 4 for \$2.75, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

Local and Personal

A meeting of the Comrades of the Great War will be held on June 24.

Mrs. Tester will be at home Friday, June 18. Mrs. Webb will receive with her mother.

Mrs. D. Craig and family are leaving for Scotland shortly, where Mrs. Craig will visit her home.

Mr. and Mrs. Alvin W. Webb are the guests of Mrs. Webb's parents, Mr. and Mrs. P. N. Tester.

In the list of those qualified to register voters the name of Mr. J. Livingston, of Breed's Cross Roads, was omitted.

Dr. and Mrs. Lewis Hall, of Victoria, were the week-end guests of Mr. and Mrs. G. S. Harris, of Moresby Island.

Mrs. Rudlin, of Anyox, B. C., has arrived in Sidney to spend the summer months with Mr. and Mrs. Samuel Brethour.

Mr. and Mrs. Wm. Pollock and family, of Victoria, leave on Monday to spend the summer holidays at Maple Creek, Sask.

Mrs. A. O. Wheeler and son left Saturday for Banff where they will join Mr. Wheeler at the Alpine Club Camp, and will spend the summer there.

Mr. Gerald Few left for Calgary on Tuesday afternoon, where he will reside for some time. Mr. Few will be much missed in Sidney athletic circles.

Miss Mary Williams, daughter of Mrs. A. Williams, a former resident of Sidney, but now residing in Vancouver, was married last night to Mr. Robert Smith of Victoria.

Mr. Jas. H. Baxter, of Calgary, accompanied by his sister, Mrs. Dunn, arrived in Sidney Wednesday from the prairie province. They intend to make their home here.

The Hon. Dr. Maclean, M.P.P., Minister of Education and Provincial Secretary, paid Sidney a visit on Friday last. The Minister was accompanied by Mr. M. B. Jackson, M.P.P., of the Islands District.

Prof. L. Stevenson will speak on the development of the Saanich Peninsula at a dinner to be given by Victoria Board of Trade at the Dominion Hotel tomorrow night. Mr. W. H. Dawes, secretary of the Sidney Board, has been invited to attend.

Mr. J. W. Barker, of Victoria, organizer for the A. O. U. W. of British Columbia, visited Sidney today with a view to forming a lodge here. The social and fraternal phases are features of this order. Leave your name with the Revue, if interested.

A public meeting will be held on Sunday evening, June 27, in the Berquist Hall, when Dr. Goldstein, Jewish Rabbi, of Victoria, will speak on the subject of "Starving Jews in Europe," under the auspices of the Jewish Relief Committee (non-sectarian) and humanitarians.

Mr. H. Way, the well known local boat builder, has disposed of four dinghies which he built lately. Mr. J. L. Skeene and Mr. Sansberry, of Sidney Island purchased one each, the third going to Mr. T. Wilkey, of Sidney, and the fourth to Mr. Rowbottom, of James Island.

BASEBALL GAME.

On Saturday, June 18, at 2.30 p.m., Mgr. Hambley's ball finds will engage the Metropolis baseball team of Victoria in a match at the local grounds.

BOUGHT TEN ACRES.

Mr. J. H. Baxter, of Calgary, has purchased a ten-acre piece of land on Beacon avenue. It is reported that he will soon commence building operations.

PEACE DAY FETE.

St. Andrew's W. A. has planned to hold a grand fete to celebrate the anniversary of Peace day. Arrangements are being made by various committees and it is hoped to make this event one long to be remembered in Sidney. Full particulars will be published in the Review later.

WILL VISIT ISLANDS.

Members of the Sidney Board of Trade will visit the nearby islands next Monday with a view to becoming better acquainted with their inhabitants both in a social and business sense. All those intending to make the trip should notify the secretary of the Board, Mr. W. H. Dawes.

BE SURE TO REGISTER.

It is important that all residents of the district should register in order that their names appear on the voters' list. It must be remembered that all previous lists have been cancelled and in order to vote on the plebiscite or provincial or Dominion elections, it will be necessary to register before July 15.

MEETING TOMORROW NIGHT.

A public meeting will be held tomorrow evening, commencing at 8 o'clock, which will be addressed by Mr. M. B. Jackson, M.P.P., and Hon. Dr. King, Minister of Public Works. Mr. Jackson will review the legislation of the recent session and is anxious to meet as many as possible of the electors and residents of all North Saanich to receive helpful suggestions and discuss the needs and interests of the district, and is especially anxious that the people should hear Hon. Dr. King, the minister in charge of roads and works.

MY GARDEN

By An Old Spade.

I was going to commence this week by writing about the weather, but was afraid the editor might register a kick, so all I will say is that it is just fine, the best irrigation we could have.

My advice this week to all gardeners, whether small or great, is to cultivate, keep the soil loose. After the recent rains, if we have some warm, sunny weather, the tendency of most soils will be to bake and crack. Keep the hoe going. This will help to conserve the moisture and promote vigorous growth in the plant. Look out for the weeds, and weed them out; they rob the plants of room and moisture—don't spare them, root them out vigorously. Keep a sharp lookout for the tent caterpillar; destroy these pests wherever they appear. The most effective way is to cut them off and burn them.

This week I add further notes on garden flowers, taking the phlox for the subject. The phlox or phlox paniculata are compounds of several species, and but little of their origin is distinctly traceable in their styles of growth and flowering. They are invaluable as border flowers. Dotted about amongst trees and shrubs they are very effective. The cultivation of the phlox is very simple, the plant being left in the ground all the winter take no harm. In the spring when the new shoots are about two inches high, the roots may be lifted and divided, planted again in newly-dug and well-manured ground and then allowed to remain for two or three years. They are noted for the way they can resist the hot, dry weather of summer, and keep on flowering when other plants have withered away. Raised from seed, this should be sown in March in gentle heat, and the young plants hardened off before planting out at the end of May.

FAMOUS HERB REMEDY NOW HANDLED LOCALLY

Simple Preparation of Herb Juices Which Does Marvellous Work

Arrangements have recently been made whereby Lesage's Drug Store will handle the distribution of Wonder Health Restorer in Sidney and vicinity. This announcement is worthy of more than ordinary note as it places at the disposal of sufferers from many complaints a remedy which has done work of the most wonderful character.

Wonder Health Restorer is not a patent medicine. It is a pure herbal preparation, containing not a trace of alcohol or drug of any kind. Its action is perfectly natural, soothing, alleviating and relieving pain and correcting bodily ills as only nature can. The wonderful work of this remedy would be unbelievable were it not supported by the positive testimony of thousands who have used it for various forms of disease and have found in it the relief they sought. In many cases this relief has come after drugs and even hospital treatment have failed to accomplish results.

Any sufferer from diseases such as rheumatism, asthma, stomach trouble, nervous complaints, kidney and bladder trouble, skin disease, piles, etc., should investigate the established record of this wonderful remedy. It has been used in all parts of Canada for years, but the arrangements for local distribution just made afford an opportunity for spreading its good work here such as has hitherto been impossible.

The full facts concerning Wonder Health Restorer have been embodied in a booklet "The Road to Health," which should be in every household. This interesting book can be obtained from Lesage's Drug Store, who can also supply readers with the world-famed preparation.

LACROSSE GAME POSTPONED SOME SIDNEY ISLAND NEWS

Not Known to the Man in the Street the Reason for the Non-Appearance of Victorians.

All kinds of rumors were afloat last night as to the reason why the Victoria lacrosse team did not keep their appointment with the Sidney stick-handlers. Some of our fair sex were very much of the opinion that it was a bad case of "cold feet," while others were equally sure that one or two of Victoria's best men could not make it convenient to be present, so the entire team stayed home, because they know what happened to them when they were one or two men short on a certain Saturday not long ago.

No matter what the reason, they did not put in an appearance, and the league game did not take place. Instead, a practice game took place, and our boys are more fit than ever to put up a first class argument.

Sidney could, as we understand it, claim the game by default, but our boys are not out to win games of that kind. They are good sports, and will win on their merits.

The Sidney boys were grieved because the Victoria team did not put in an appearance as they were very confident of victory. However, there was no game, and as there are several things we have to do we will get to work.

Later--The Victoria club asked for a postponement of the game as they could not field a team.

Trip Around the World is Contemplated by One of the Residents.

Mr. "Jack" Moulton, chief engineer of the B. & T. Co. and Pacific Crating has recently purchased a gasoline boat. The genial "Jack" expects to start for a trip around the world in her after busy season is over.

Messrs. A. Daniels and J. Anderson, of Sidney, have accepted positions in the engineering of the Sidney Island plant.

Messrs. John Garvus, superintendent of Pacific Crating Co., and Geo. Roger, superintendent of the B. & T. plant, spent the week-end in Victoria.

Sidney Island has added to its fleet of boats by the purchase of two dinghies from H. Way of Sidney. Mr. J. L. Skeene bought one, while Mr. Sansberry purchased the other.

On the Waterfront

The S. S. Red Fir, Capt. Isbester, put into Sidney with a boom of logs for the Sidney Mills, Ltd., on Monday.

"Capt" Peterson in the launch Island Belle, took a party of picnickers to the Sidney Island spit on Saturday last.

The S. S. Sebastian, of the C. N. R. fleet, was in Patricia Bay on Tuesday last.

Geo. Lasseter, in the launch Elf, brought a party of tourists to Sidney en route to Victoria on Monday.

Mr. Frank Warrington, the well-known trapper, is having the firm of Williams & Way, of Sidney, attend the general overhauling of his launch the Eva. New guards are being put in, the engine completely overhauled and the boat painted. When finished Mr. Warrington's boat will be in good shape for the coming season and a source of pride to its owner.

Geo. Reid, in his launch the Crusoe, took a party of picnic-fishermen to Donville Island on Sunday last. The motor seine boat, the Marie Roberts, of Vancouver, called in port on Tuesday en route to her home port from Victoria.

Capt. W. D. Byers, in the launch Walda took a big party to Port Washington last Tuesday.

Dr. A. B. Holden and Messrs. E. L. Tait and Jas. Drummond went over to Cushion Cove on Sunday last in their launch The Mermade.

Messrs. Bree Wright and A. H. Spurr, of the Soldier Settlement Board, spent Monday and Tuesday on Salt Spring Island on Departmental business.

The Monobelle, of James Island, with the veteran, Capt. Bucknam in charge, adds to the beauty of the scenery and to the activity of the waterfront. The Monobelle makes two trips weekly to Sidney from James Island.

WEST SAANICH NEWS

Mr. Geo. Sluggott left on Tuesday of last week on a visit to relatives in New Westminster. He returned on Saturday accompanied by his daughter, Miss Grace Sluggott, who has been a student at the Columbia College for the past six months.

Mrs. D. Woodway returned on Thursday last after spending several days with relatives and friends in Ladner and New Westminster.

Mr. G. Barnes spent Sunday at the home of Mr. and Mrs. R. J. Parrell.

Mr. W. Choeseaman visited friends at Brightwood on Sunday afternoon. Mrs. C. Strahm, who intends leaving for Sweden on June 24 on a visit to her mother and other relatives, was out to Tod Inlet on Thursday last to say farewell to her old friends and neighbors.
